

We wanted to update all of our loyal customers of how Sterritt Lumber is doing our part to combat COVID-19.

The health and well-being of all our employees and customers is our top priority. We are constantly sanitizing and wiping down all surfaces that anyone may touch or come in contact with. We are following all the recommended hygiene and cleaning procedures recommended by the Federal, State, and Local Officials. We are monitoring the emerging and changing situations in regards to COVID-19 constantly. We have adapted and will continue to adapt to any changes, recommendations, and requirements set forth by the authorities.

Sterritt Lumber will remain open our regular business hours and continue to service our customers. Both our yards in Watertown and Avon remain open for pick-ups. As always, you can also call in your order for delivery. Our staff is here, healthy and ready to help!

Again, the health, safety, and well-being of our employees and customers is our number one priority and concern. We will continue to do everything in our power to help combat COVID-19 and we will all get through this together.

Thank you,

F.D. Sterritt Lumber Co. Management
